

The Awana Game Square

The Awana Game Square is an important part of many Awana Clubs. While much of the equipment needed for the game square is available from Awana directly, there are occasionally products that are actually more cost-efficient for you to purchase from a different provider.

The game square tape is one of those products. As odd as it sounds, the cost for us to acquire, stock and ship the tape actually ends up being much higher if we were to carry this product through our store. We've found that the price you can get for tape through other online vendors (even after paying shipping cost) ends up helping you be a better steward of your funds and helps Awana be better stewards of the funds in our care.

Game Square Tape can be found at a variety of vendors, see below. Through these vendors you are able to find 1" floor tape in all needed colors (red, blue, green, yellow, and white) for the Awana game square. Simply search these vendors online using "Vinyl Floor Tape, or "Gym Floor Tape."

Below are a few potential sources for the game square tape:

- [Industrial Webbing Velcro Tape](#)
- [Textol Systems Velcro Tape](#)
- [Uline Floor Tape](#)
- [Creative Safety Supply](#)
- [Amazon](#)
